## Dedicated civil trial and worker's comp attorney.

### Experience

- Successful CGL and D&O insurance coverage resolution where a public entity claimed a product manufactured concerning water purification failure to perform correctly increased the likelihood of a cancer-causing chemical, approximately \$15 million exposure.
- Successful D&O coverage resolution claim of the malfunction of a water purification product at a public entity in France (under U.S. coverage law) where exposure was in excess of \$10 million.
- Successful decision in Missouri Supreme Court unanimously reversing a prior decision and significantly narrowing Missouri law on worker's compensation employer liability.
- Successful defense jury verdict for approximately \$3,500 on a personal injury matter claimed well in excess of policy limits and insurer threatened earlier with bad faith.
- Defended jury trial to verdict with ultimately successful resolution on a case involving NFL issues where \$50,000,000 was asked in punitive damages and \$15 million was asked in actual damages.

## Summary

Dan is an exceptional civil trial attorney focused on general commercial, professional sports, and insurance matters. He has been the lead attorney on more than 20 jury trials that led to a verdict and has participated in dozens of others.

In addition, Dan excels in defending clients in complicated worker's compensation cases and leads a team of dedicated worker's compensation attorneys. His team defends worker's compensation cases throughout Missouri and Kansas, primarily for large self-insured companies.

His work in the professional sports arena with the NFL, MLB, hockey, and men's and women's soccer has led to successful verdicts and summary judgments in favor of his clients. He also worked extensively on the NFL's collective bargaining agreement-specific worker's compensation.

His insurance work includes serving as a national consultant (including claims arising in foreign countries but litigated under U.S. law) for an international company that is publicly traded on a foreign stock exchange. He has also obtained successful results in insurance coverage matters for CGL, business auto, EPL, D&O, and property damage, among others.
