Successful Commercial and Securities Litigation and Arbitration Attorney

Experience

- Obtained a securities arbitration award of over \$1 million for a retired professional baseball player.
- Obtained a \$1 million dollar securities arbitration settlement for a professional football player and his family.
- Successfully defended financial advisors and advisory firms in customer and industry disputes.
- Tried court cases and arbitrations in 10 states.

Summary

With nearly 40 years of experience, John Miller specializes in commercial and securities litigation and arbitration. His clients include individual investors, financial advisors, small advisory firms, small businesses, and employees. His courtroom experience has resulted in favorable results for his clients in both jury and bench trials as well as in commercial arbitration cases.

He has been named to **Best Lawyers in America** every year since 2012 for both commercial and securities litigation. In addition, he has been selected multiple times as Lawyer of the Year in Kansas City for securities litigation.
