## Making complicated legal concepts easy to understand.

### Summary

Matt enjoys making the legal process as easy as possible for his clients. His extensive experience with mergers and acquisitions, business transactions, tax planning, tax controversies, estate planning, and banking/finance has equipped him to break down complicated legal issues into understandable terms for his clients.

He focuses on helping clients sell or acquire businesses, raise capital, manage employment issues, address partner disputes or ownership changes, and successfully navigate the sometimes tricky waters of family relationships that can impact family-owned businesses.

His ability to analyze complicated business scenarios and explain them to clients in understandable terms has helped a variety of businesses avoid potential harm to their companies. Matt has a unique talent in reviewing complicated, jargon-heavy agreements and explaining them in layman's terms, so clients can fully understand their meaning.
